SUMMARY

Software engineer with 2+ years of experience in full-stack development using JavaScript, React, Node.js, and Python. Proven skills in building scalable web applications, designing maintainable architectures, and optimizing system performance. Focused on delivering high-quality, user-centered solutions through clean code and modern practices.

SKILLS

Programming Languages: JavaScript, TypeScript, Python

Frontend: React.js, Next.js, Astro, HTML5, CSS3

Backend: Node.js, Express, REST APIs, API Design

Databases: MongoDB, MySQL, PostgreSQL

Testing: Jest, Vitest

Tools & Version Control: Git, Postman, GitHub

EXPERIENCE

Full-Stack developer, Freelance **Mar 2022 - Present**

- Built and deployed full-stack web applications using React.js, Node.js, and MySQL, improving performance and user experience.
- Automated business workflows, reducing manual tasks and improving operational efficiency for clients.
- Implemented authentication, API integrations, and backend logic following clean architecture principles.
- Used Git for version control and testing tools to ensure code quality.

Systems Development and Audit Analyst, Instituto de Gestión Electoral GCBA **Jul 2024 - Dec 2024**

- Contributed to the development of internal tools to support system audits and improve access to critical infrastructure information.
- Participated in the audit of suppliers' IT systems and electronic voting devices, ensuring alignment with security policies and the Buenos Aires Electoral Code.
- Reviewed infrastructure and application controls, and proposed improvements to enhance availability, reliability, and data protection.
- Supported implementation of internal security measures aligned with compliance and audit standards.

EDUCATION

Google Cloud Cybersecurity Professional Certificate **In progress**

Coursera

Google Cybersecurity Professional Certificate **2025**

Coursera

Bachelor's Degree in Software Engineering **2025**

Pontificia Universidad Católica Argentina

AWS Academy Data Engineering **2024**

Amazon Web Services Training and Certification

Cambridge English: First (FCE) **2015**

Cambridge English Assessment - Liceo Cultural Británico

LANGUAGES

Spanish: Native

English: Advanced (C1 – CEFR)
